

2015-16 Desserts for the Shepherd's Kitchen

We are assisting the Presbyterian Church by providing desserts for the Shepherd's Kitchen, which is an event they started a number of years ago.

We have volunteered to provide desserts for 30-40 people on the second Thursday of each month. Please include something for the diabetics also. The food is served from 5-6PM in the Presbyterian Church basement. There is a parking lot on the south of their church; park there and then go down the stairs to get to the basement. There also is parking on the east side; park there and go in the door that is marked.

The name of the individual volunteers will be included in the monthly church newsletter as well as the weekly bulletin preceding each date as a reminder. Phyllis Abbot is the resource person for this event, so call her if you have questions. Her contacts at the church Carol Funston @ cjfunston@embarqmail.com and Diane (Ron) Brown, 660-582-8218.
